

ROMANIA OIL & GAS 2012 SUPPORT:

UNION OF BLACK SEA AND CASPIAN CONFEDERATION OF ENTERPRISES

OIL & GAS ENGINEERS ASSOCIATION

## Pre-Conference Day

MONDAY 3<sup>RD</sup> DECEMBER, 2012

16:00 Conference pre-registration Hosted by:

## Day 1

TUESDAY 4<sup>TH</sup> DECEMBER, 2012

08:00 Registration Hosted by:

08:00 Welcome Coffee Hosted by:

09:00 OPENING PLENARY

Chairman's Opening Welcome:

Official Welcome Addresses:

09:30 – 09:45 Networking Coffee Break Hosted by:

09:45 PANEL 1 SECURITY OF ENERGY SUPPLY : CROSS-BORDER PROJECTS

09:45 – 11:00 SECURING SUPPLY TO EUROPE

- The EU infrastructure policy and its contribution to security of supply
- Global supply/demand dynamics
- Shah Deniz and the opening of the Southern Corridor
- Securing tomorrow's supply for Romania- What is necessary?
- The Black Sea discoveries can be a game changer for Southern Corridor gas supply?
- Q & A, Discussion

11:00 – 11:15 Networking Coffee Break Hosted by:

**17:30** Chairman's Closing Remarks

**17:40** End of Conference Day 1

**18:00** Official Romania Oil & Gas Gala Reception  
*Venue:*

**Hosted by:**

## Day 2

**WEDNESDAY 5<sup>TH</sup> DECEMBER, 2012**

**08:30** Registration

**Hosted by:**

**08:30 – 09:30** Welcome Coffee

**Hosted by:**

**09:30** Chairman's Opening Welcome:

**09:35** PANEL 1

### HSE IN OIL & GAS EXPLORATION AND PRODUCTION

**09:35 – 10:30** SAFETY & ENVIRONMENT

- Environmental impact of the oil & gas industry in Black Sea region
- Environmental governance in the Black Sea
- Improving safety and protecting the environment: application of HSE performance standards
- Oil spills; detection and emergency response
- Learning lessons or legislation – How will the industry improve after Macondo?
- Q & A, Discussion

**10:30 – 10:45** Networking Coffee Break

**Hosted by:**

**10:45 – 12:00** MANAGING TALENT AND HEALTH & SAFETY

- Legal and regulatory aspects of ensuring the safety of oil & gas projects in Romania & the Black Sea region
- How to avoid and respond to emergency situations at oil & gas complexes: forecasting, strategy, action, management
- Social responsibility
- HSE training in Romania
- New technology and innovation for optimising HSE
- Q & A, Discussion

**12:00 – 13:00** Networking and VIP Lunch

**Hosted by:**

**13:00** PANEL 2

### UNCONVENTIONAL HYDROCARBONS

**13:00 – 14:00** SHALE GAS DEVELOPMENT STRATEGIES

- A perspective to future unconventional E & P in Romania and in Europe
- North American perspective on unconventional hydrocarbon resource development
- Commerciality of unconventional projects: How can investment in the expensive E&P process be encouraged?
- How the current fiscal regime in Romania compares with other fiscal regimes for shale gas developments?
- Case study: How Romania can learn from Polish experience?
- How to overcome the legal obstacles around property rights?
- Q & A, Discussion

- 14:00 – 14:15**      **Networking Coffee Break**      **Hosted by:**
- 14:15 – 15:00**      **ENVIRONMENTAL CONCERNS**
- Challenges in environmental regulations across Europe
  - Recent development in technologies and applications
  - Result from an impact study on the environment of the fracturing method
- 15:00 – 15:30**      **INTERACTIVE PANEL DISCUSSION : PUBLIC AND COMMUNITY ENGAGEMENT**
- How can the shale gas industry more effectively engage with the public?
  - Case study: effective community relations – what is the public perception of shale gas in Poland?
  - How to overcome the legal obstacles around environmental?
- 15:30 – 15:45**      **Networking Coffee Break**      **Hosted by:**

**15:45**

## **INTERACTIVE WORKSHOPS**

### **2012 Workshops**

The Romania Oil & Gas 2012 workshops aim to be a forum for learning about HSE best practices working offshore and HSE frameworks essential for effective development of projects in the Black Sea region including optimisation of safety standards and efficiency.

Specific topics of interest include (but are not limited to):

- **Global Offshore Safety - Industry & Regulators working together**
- **HSE Management**
- **Emergency Management**
- **Asset Integrity**
- **Critical Elements (SCE) and Performance Standards (PS)**
- **Oil Spills Onshore & Offshore**
- **Environmental Impact and Discharges**
- **Unconventional Gas Technology Development**
- **Regulation – designing a competitive fiscal and tax regime**

**17:00**      **End of Conference**
